Antioch Community Ministries

As we enter into the season of celebrating the birth of Christ, we are mindful of the millions of people who have not heard of the love of Jesus, or that His birth can truly make a difference in their lives.

By sharing of our financial resources with others, we can continue spreading the Good News of Jesus! Two thousand years ago, the angels brought the good news of great joy! A child was born into this world – the Saviour – the Messiah, the Lord. That Good News of Jesus is the best news for a world that needs to hear about love and forgiveness.

We invite you to read through this brochure and consider how you may want to be part of sharing the Good News this Christmas season.

Merry Christmas!

Because of Christ ...

Lyn Dyck
EMMC Executive Director

A Miraculous story is unfolding in Warman Saskatchewan, and the surrounding area as Antioch Community Ministries steps towards the edges of the community and reaches out to a growing number of unreached young people.

"I want to express my gratitude for the unwavering support of YFC, EMMC, Region 1 Churches -- Without your prayers and faith none of this would have been possible."

-Ryan Davidson

The Antioch Leadership team, EMMC Churches of Saskatchewan, and the EMM Conference are excited to partner together to build a new facility that will house a Church Plant, Indoor Skatepark and Youth Drop-in facility. The vision of this ministry is to cultivate a community of believers passionate about living mission-centred lives, discovering new avenues of connection with the lost, and advancing the Kingdom of God.

We invite you to partner in this ministry.

In 2024, it is expected that construction of a new \$2.1m complex will begin. God has opened doors for this church plant and its outreach ministries. Pray with us that this will be a unique and Christ-centered place for many who are looking for a place to belong.
